

Bellevue College transforms the lives of students by eliminating gaps in opportunity and achievement for our diverse student community. Each student reaches their academic and career goals through an intentionally-designed college experience that reflects quality, creativity, and equity.

How can Bellevue College do better?

Bellevue College commits to serving all students equitably.

Percent of BC students that graduate or transfer

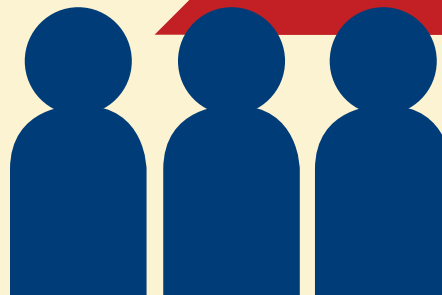

Graduation/Transfer rate starting Fall '13 – completing by Fall '16

Equity

Student-centered focus

Evidence-based decisions

Bellevue College Values

Student Success Priorities

Three workgroups are collaborating to implement a three-year action plan on three priorities.

- BC Pathways:** Clarify and simplify career and academic pathways
- Integrated Advising and Student Support:** Help students choose and stay on a pathway
- Faculty Professional Development:** Equip faculty to ensure student success
